

IDALA presents

Language and Learning 2016

Please join us for an inspirational and educational event.

The International Dyslexia Association, Los Angeles Branch, presents a day of dynamic speakers, informative breakout sessions, and exciting exhibitors. IDALA is excited to offer a day that will focus on the different dimensions of dyslexia and the issues surrounding them.

Exciting breakout session topics include:

- Woodcock-Johnson IV: What's New
- Structured Reading Intervention
- Executive Function Challenges
- ADHD: Refocusing the Brain
- Social Anxiety in Students with Learning Disabilities
- Research on Success Attributes
- Math Concepts and Learning Disabilities
- Vision and Dyslexia
- Transitioning to College
- Experience Dyslexia® Simulation

Keynote Speaker:

Nancy Mather, Ph.D. – Professor of Special Education at the University of Arizona in the Department of Disability and Psychoeducational Studies. Learning Disabilities Teacher, Diagnostician, Professor, Educational Consultant, and co-Author of the Woodcock-Johnson IV.
