

Dyslexia and Phonological Processing for Parents, Advocates and Teachers

Join us for a FREE one-hour introductory webinar on Dyslexia and Phonological Processing with an emphasis on one of the most widely used and popular assessments for reading-related phonological processing skills - the Comprehensive Test of Phonological Processing (CTOPP-2).

Reading Assessment

This pre-recorded webinar will be presented by international dyslexia expert Dr. Richard Wagner, Ph.D., Principal Investigator of NICHD Florida Learning Disabilities Research Center, Associate Director, Florida Center for Reading Research and Co-Author of the CTOPP-2. Dr. Wagner is also a member of the CA Department of Education's Dyslexia Work Group that are producing statewide dyslexia guidelines to be released in August..

Participants must pre-register for this free 1 hour webinar.

Webinar will only be available for viewing during the following specified times:

October 9th at 8:00 a.m. (PDT) through October 15th at 11:00 p.m. (PDT)

Register through EventBrite at <https://phonologicalprocessing.eventbrite.com>
