

Individualized Education Plan (IEP) Clinic: Help with Your Child's IEP

Saturday, September 22, 2018
1:00pm-4:00pm

**California State University East Bay,
Concord Campus**
4700 Ygnacio Valley Road, Room AS 202
Concord, CA 94521

Northern California/ East Bay Learning Disabilities Association (NCEBLDA) is excited to work with California State University East Bay (CSUEB) Department of Educational Psychology and Decoding Dyslexia CA, for our fourth IEP Clinic. This will be our second clinic at CSUEB.

Join our Training & Advocacy Chair, Michael Rosenberg, M.A. and our NCEB LDA team for a **FREE IEP clinic**. There will be an overview on the IEP process and help for your child's IEP. Rosenberg will address what an IEP entails and how to interpret the information. Furthermore, Rosenberg will address specific questions related to your child's IEP and address concerns. A **CD** will be provided with information related to Parents Rights under IDEA and Assessment to Transportation.
