

Free Audiobooks Resources

Do you or your child struggle with reading and want recreational audiobooks and/or classroom material audiobooks for free?

Through various state and federally funded programs, people with reading difficulties, including those at risk of or with dyslexia, are able to gain access to two libraries of audiobooks, **at no cost**, for use both in and out of the classroom.

We encourage you to share these free resources with others, including your child's school.

If you haven't already done so, please be sure to sign up for DDCA emails to stay informed on all literacy-related efforts in California.
